

Enabling Change

- *Main barriers to achieving low carbon sustainable transport by 2030?*
 - *Political buy in*
 - *Political courage*
 - *Public buy in*
 - *Consensus*
 - *Promoting mobility in the mix*

 - *Realistic targets*
 - *Monitoring*
 - *Not re-inventing the wheel*
- *Key strategies to overcome?*
 - Consultation
 - Learning other cities
 - Governance
 - Exploitation of BP, ICT

Enabling Change

- *Main barriers to achieving low carbon sustainable transport by 2030?*
- *Key strategies to overcome?*

- What are the biggest knowledge gaps?
- Who needs knowledge?
- How do we fill the gaps?
 - Presentation (links, networking, bloggs, audio, video, webinars)
 - Tools (scenarios, models, what ifs)
